Service Plan

Fiscal Year 2024

The Department of Government Operations creates innovative solutions to transform government services. The mission of the Division of Finance is to provide fiscal leadership and quality financial systems, processes, and information. The Division is created by statute — 63A-3-101. Its duties are specified in Title 63A, Chapter 3. This Service Plan is prepared in compliance with Section 63A-1-111. Questions regarding the plan should be directed to Van Christensen, CPA, Director, at 801-957-7727 or at vhchristensen@utah.gov.

What are the services we provide?		What are the methods used to provide each service?	What are the standards of performance for each service?	What performance measures are used to gauge compliance with the standards?
1. Exercise accounting control over state departments and agencies	1.1 Maintain statewide accounting policies and procedures.	Published electronically on the division's website.	GAAP, Internal Control, Federal Regulations, State Law	Customer satisfaction survey Unqualified audit opinion on ACFR.
	1.2 Assist with state Internal Service Fund accounting and budget forms.	Division accounting staff work closely with state agency accountants.	GAAP, Internal Control, Federal Regulations, State Law	Customer satisfaction survey Unqualified audit opinion on ACFR.
	1.3 Assist with Trust and Agency fund accounting and bank reconciliation review.	Division accounting staff work closely with state agency accountants.	GAAP, Internal Control, State Law	Customer satisfaction survey Unqualified audit opinion on ACFR.
	1.4 Organize and run meetings for budget and accounting officers and provide training to agency accountants.	Agency Coordinating Team (ACT) meetings held at least six times a year. Budget and Accounting (B&A) Officer's meetings held twice a year. Year End training given annually.	GAAP, Internal Control	Customer satisfaction survey Unqualified audit opinion on ACFR.
	1.5 Provide standard financial reports.	Published electronically on our Data Warehouse website.	Records on Data Warehouse are accurate and complete. Data Warehouse is available each business day from 7:00 am to 8:00 pm.	Percent time system is available Percent time system opens on time. # of detail & summary records on Data Warehouse.
