Legend:

X ICQ is due this quarter.

Grey Box ICQs "Not Required to be Submitted" are not due this quarter

Notes:

1 Agencies must use the most recent version of the ICQs from the DAS Finance website. However, when ICQs are required to be resubmitted during subsequent year rotations, agencies may find it useful to refer to their previously submitted version and update the responses to reflect the current circumstances.

2 The Investments ICQ is applicable if the agency manages its own investments (e.g. Treasurer's Office and Board of Regents).
